
Master of Arts in Education (MAE)

Applicants with a GPA below a 3.0 may choose from the following options:

- Option Four:** The submission of a **Portfolio of Evidence** that shows adequate preparation for graduate studies. The portfolio must contain *ALL* of the following, in an electronic (PDF) formatted file submitted to your Enrollment Coach.
- ✓ Writing samples that show graduate-level communication and analytical skills (at least two). For example, a graded paper from a prior course, a publication, or other peer reviewed writing sample.
 - ✓ A detailed resume showing professional development and achievements, awards, and/or professional recognition.
 - ✓ Letters of reference, at least two, from persons who can attest to the applicant's ability to do graduate-level work. For example, from a faculty person (not a neighbor or friend). A letter from a work supervisor is acceptable, but it should not be the only letter submitted.
 - ✓ A letter of explanation detailing the reasons the applicant believes he/she is a good candidate for graduate study in the discipline requested. For example, why the GPA was below the expected standard.

GRADUATE ADMISSION COMMITTEE (GAC)

The **Graduate Admission Committee (GAC)** may contact the applicant if clarification is needed on any submitted documents. If the portfolio meets approval of the GAC a decision is made. The decision of the GAC will be final.

- The portfolio **MUST** be complete before submitting to the Enrollment Coach. If it is not complete, it will not meet the approval of the committee
- Be sure to keep copies of your portfolio as they will not be returned
- You will be notified by letter of the decision of your **Application for Portfolio of Evidence**

Please allow two to three weeks for review
