## **Grades & Transcripts**

Upon registration, you will receive an email notification that a UMass Global username and password has been created with instructions on how to activate your UMass Global account. Once grades are posted and credits have been awarded, a final confirmation email will be sent so please read these instructions thoroughly. Please wait until you receive the final confirmation email before proceeding to view unofficial and order official transcripts.

\*We do not usually recommend sending payment information through email but will accept registrations and payment via email during school closures as many do not have access to a FAX machine.
