

**2021-22AY Annual Completion/Graduation Rates  
(Student Right-to-Know Act)**

The following graduation information is exhibited for compliance with the Higher Education Act of 1965, as amended. All participating Title IV institutions that enroll first-time, full-time undergraduate students are required to make available this cohort's 150 percent of normal time for completion/graduation rate.

| <sup>1</sup> Interpret data with caution. UMass Global primarily serves non-first-time undergraduate students (e.g. non-traditional students and adult learners). As such, the fall 2014 first-time full-time student cohort represents a minuscule percentage of the undergraduate student population that the University serves.<br>*Data is suppressed to protect the confidentiality of demographic groups in cells where headcount is lower than 10.
