Students who matriculate to UMass Global with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

Lower division courses may be eligible to fulfill upper division major requirements if approved by the Dean of Marybelle and S. Paul Musco School of Nursing and Health Professions.

This list includes only the requirements that are commonly seen in transfer, and is not a comprehensive list of all the course requirements within the BS Nursing program. For a complete list of program requirements, please refer to the UMass Global catalog.
