To view the locations of where the Nursing program is offered, please refer to the following: <https://www.umassglobal.edu/academic-programs/bachelors-degrees>. For GE requirements please see the General Education Transfer Guide.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor's degree program at UMass Global satisfies all UMass Global GE requirements except LBSU 302 & 304. Students who matriculate to UMass Global with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

Lower division courses may be eligible to fulfill upper division major requirements if approved by the Dean of Marybelle and S. Paul Musco School of Nursing and Health Professions.

This list includes only the requirements that are commonly seen in transfer and is not a comprehensive list of all the course requirements within the BS Nursing program. For a complete list of program requirements, please refer to the UMass Global catalog.

Further information regarding the courses below can be found in UMass Global's [Course Articulation Database \(CAD\)](#).
