*Data is suppressed to protect the confidentiality of demographic groups in cells where headcount is lower than 10. For more information, please refer to CFR §668.45(a)(6)(ii). **For completion rates by non-first-time students (i.e., transfer and non-traditional learners), please refer to the UMass Global Fact Book. ¹UMass Global primarily serves non-first-time undergraduate students (e.g. non-traditional students and adult learners). As such, the fall first-time full-time student cohort represents a minuscule percentage of the undergraduate student population that the University serves.
