Program, Admission and Context	Candidate Information	Goals, Assurances, Tech and Training	Teacher Certification Examinations			
<p>This section provides information about the institution's teacher certification exam takers, passers and average pass rates for the California, Basic Educational Skills Test (CBEST), California Subject Examinations for Teachers (CSET) and the Reading Instruction Competence Assessment (RICA). Data also includes the statewide average pass rate for each exam. Information is provided by program route: Traditional, Alternative, IHE-based and Alternative, not IHE-based.</p> <p><u>It is important to note the following:</u></p> <p>1) The number of candidates passing tests and pass rate are not reported if the number of candidates taking tests is fewer than 10 for each subtest.</p> <p>2) Examinees may have attempted and passed the CBEST and CSET prior to enrolling into the teacher preparation program.</p> <p>3) The CBEST is one of the options to satisfy the basic skills requirement.</p> <p>4) The CSET Mathematics and Science standards have been revised in 2013 and 2017, respectively. Exam code starting in the 200s refers to the revised test, and exam codes starting in 100s refers to the test prior to the new standards. Please note that the Multiple Subjects subtest II have also been revised due to the new Mathematics and Science standards.</p> <p>5) The RICA standards have been revised in 2009. As a result, RICA.1 refers to the revised test and RICA refers to the test prior to 2009.</p> <p>Use the drop down menus below to view data examinee group and program route.</p> <div><div>Select Examinee Group All program completers</div><div>Select Program Route Alternative, IHE-based</div></div>						
All program completers in 2017-18						
Exam	Exam Name	Exam Code	Number of candidate taking tests	Number of candidates passing tests	Institution average pass rate percent	State average pass rate percent
