Dear

Congratulations! This letter is to verify that you have successfully met all requirements of the GGUSD Teacher Induction Program, a California Commission on Teacher Credentialing (CTC) accredited credential program. Below you will find your Induction transcripts and a list of next steps to complete.

Remember, all Induction documents must remain unaltered in your GGUSD Google Drive Induction folder. Please do not delete, move, or alter your documents in any way. You are strongly encouraged to make and keep copies of all documents in your own personal drive.

We sincerely hope that, as you completed the GGUSD Induction program, you feel well-prepared and well-equipped to continue on this career-long journey of reflective practices and professional growth in the California Standards for the Teaching Profession (CSTPs).

Should you continue to need support beyond your years in Induction or if you have any questions, we can be reached at 714-663-6048.
