

Bristol Community College 2022-2023

This list includes only the requirements that are commonly seen in transfer at a lower-division level and is not a comprehensive list of all the course requirements within the Associate of Arts in General Business Competency Based program. However, your official admission evaluation will be based on all transfer coursework received at the lower division and upper division level. For a complete list of program requirements, please refer to the University of Massachusetts Global catalog.

Further information regarding the courses below can be found in the University of Massachusetts Global [Course Articulation Database \(CAD\)](#).

All courses must be taken for a grade of B- or higher in order to apply toward competencies.

Degree Requirements & Concentrations

AAC Competency Based General Business program consists of 15 General Education competencies, 4 Business Core competencies and 9 equivalent credits of electives .

Students may choose from the following emphases:

1. General Business

While it is possible for transfer coursework to meet competency requirements within these emphasis areas, that coursework must be reviewed by an academic dean within the School of Business and Professional Studies to determine transferability.
