

Southern New Hampshire University 2020-2021

The following information is a guide of college courses that transfer to UMass Global to fulfill general education requirements.

GE Block Transfer

UMass Global accepts the full CSU or UC IGETC general education certification to satisfy all GE requirements except LBSU 302 & 304 and Degree Qualifications. The Degree Qualifications may be completed through residential coursework taken in the major or through residential electives.

Certification must be completed prior to the student's first term admitted, enrolled and attending. Students who matriculate to UMass Global with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

The General Education Requirements consist of 42 total units.

Course articulation information is provided for all California and out-of-state community colleges, as well as many four year institutions across the country. These represent course work which UMass Global will accept in transfer to meet course equivalencies, general education, or general elective credit. The information has been developed without assistance from the institutions included in this database, however in most instances it is shared with these institutions for accuracy. The information provided is developed to assist students and advisors in determining how transfer credit may apply to UMass Global. Courses not listed in the database have not yet been reviewed for transfer and in some cases may be appropriate for transfer credit.

Further information regarding the courses below can be found in UMass Global's [Course Articulation Database \(CAD\)](#).

Courses may be approved for more than one area but can only be applied towards one requirement

UMass Global GE Requirements		Equivalent Courses
Basic Skills		
Writing and Critical Thinking (1 Course from each)		
ENGU 103	Freshman Rhetoric	ENG 120, 122
ENGU 104	Writing About Literature	ENG 123
Quantitative Reasoning (1 of the equivalent courses)		
MATU 103	Applied Mathematics	No Comparable Course(s)
MATU 203	Introduction to Statistics	MAT 133, 240, 243, 300, 303 PSY 223, 260
