Notes:

1. Cases where a student did not upload an assignment (coded as "no submission" in the export from Gradermark) were excluded from the analysis.
2. In cases where the mastery assignment was a group project, only the assignment submitted by the group leader was included in the analysis.
3. All rows may not add up to 100% reflecting missing rubric points.
4. The full population of students in each of the course sections were included.
