Equivalent

Butte College 2020-2021

The following information is a guide of courses that transfer to UMass Global to fulfill general education requirements and Information Technology major requirements in the Competency-Based program.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor degree program at UMass Global satisfies all UMass Global GE requirements except competency LBSC 320 & LBSC 321. Students who matriculate to UMass Global with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

The Business Administration major includes 34 core competencies. See the catalog for a full list of General Education, Major, and Emphasis competency requirements. Information on transferring prior coursework to meet UMass Global competencies can be found in the UMass Global catalog.

This list includes only the requirements that are commonly seen in transfer, and is not a comprehensive list of all the course requirements within the BS Competency-Based Information Technology program. For a complete list of program requirements, please refer to the UMass Global catalog.

Further information regarding the courses below can be found in UMass Global's Course Articulation Database (CAD).

All courses must be taken for a grade of B- or higher in order to apply toward competencies. Courses may be used to fulfill both major and general education requirements.

	UMASS GIODAI Course	Equivalent Courses	Competencies			
General Education						
ENGU 103	Freshman Rhetoric	ENGL 2, 3	ENGC 103			
ENGU 104	Writing about Literature	ENGL 11 or ENGL 4 (Approved Substitution)	ENGC 104			
COMU 101	Public Speaking I	CMST 2, 2H	COMC 101

CSCU 251	Introduction to Computing Systems Organization	No comparable course(s)	CSCC 251		
CSCU 408	Database Management	BUS 18	CSCC 408		
CSCU 200	Introduction to Computers and Data Processing	CSCI 2	CSCC 200		
CSCU 270	Information Systems Security	CSCI 17	CSCC 270		
OLCU 350	Leadership and Professional Ethics	No comparable course(s)	OLCC 350, 355		

Degree Requirements & Concentrations

BS Competency Information Technology consists of 13 General Education competencies, 18 Information Technology (IT) Core competencies and 8 emphasis Area competencies.

Students may choose from the following emphases:

- 1. Data Science
- 2. Information Technology Generalist

While it is possible for transfer coursework to meet competency requirements within these emphasis areas, that coursework must be reviewed by an academic dean within the School of Business and Professional Studies, to determine transferability.

Revised: 2/16/2021
